OFFICE OF PETITIONS

Dear Sir:

Responsive to the Restriction Requirement mailed January 13, 2003, Applicants respectfully request consideration of the following remarks. A petition for a five month extension of time authorizing the Commissioner to charge the requisite fee pursuant 37 C.F.R. § 1.17 is enclosed. The petition thus effectively extends the period of response from February 13, 2003 to July 13, 2003. A Petition for Revival of an Application for Patent Abandoned Unintentionally under 37 C.F.R. § 1.137(b) is also submitted herewith.

In the Restriction Requirement mailed on January 13, 2003, the Examiner issued a further Restriction Requirement on Applicants' previously elected Group II claims (67-72). In the January 13, 2003 Restriction Requirement, the Examiner grouped claims 67-72 as follows:

Group A:

Claim 67, drawn to a biosensor with a polypeptide comprising an analyte

domain and a catalytic domain;

Group B:

Claim 68, drawn to a biosensor with a polypeptide comprising an analyte

domain, a first inactive domain, and a second inactive domain; and

Application No.: 09/92077 Filing Date: September 19, 2002

Group C:

Claims 69-72, drawn to a biosensor with a plurality of polypeptides

immobilized on the solid support.

Applicants hereby elect the inventions specified in Group C, without traverse.

Should the Examiner believe that a telephone conference would expedite the prosecution of this application, the undersigned can be reached at the telephone number set forth below. The Commissioner is hereby authorized to charge any deficiency in fees in connection with this submission or credit any overpayment to Deposit Account No. 50-0990.

Respectfully submitted,

July <u>22</u>, 2003
